TECH SKILLS

Programing Language	C, python, JavaScript and SQL
Databases	SQL,mongodb
Frameworks	reactjs,
web development	frontend(html,css) backend, MERN

Courses

PROJECTS & INTERNSHIPS

Crafto App (Freelancer)

1. Enhanced user experience by implementing new features and UI enhancements to the Crafto App, a social media platform that enables users to create and share personalized quotes and greetings.
2. Leveraged iOS development skills to integrate user-facing features, including the ability to add names-and profile pictures to personalized quotes and greetings.
3. Utilized SwiftUI skills to create different design of personalized quotes and greetings.
4. Added new screens with innovative features that improved the overall functionality of the app.
5. App Link: Crafto app: https://apps.apple.com/ca/app/crafto-app/id6444877212

Antino Labs

IOS Developer Intern
1. Collaborated with the client team on various UI changes and experiments, notably enhancing Map experience.
2. Worked on several other tasks including setting up accessibility features throughout our app, reducing app size (by 22

NYTimes App Clone

1. NYTimes App Minimal News iOS application built to describe the use of SwiftSoup and CoreData with SwiftUI.
2. NYTimes App was made using SwiftUI as the Core interface with Two Way Binding MVVM Architecture using Combine framework.
3. CoreData is used to store the Article Bookmarks offline in device so that the user can access it at later time.
4. SwiftSoup is used to scrap the required details from the NYTimes website. The User interface of this app mostly uses the inbuilt iOS components to keep the User experience close to the native feel.
5. Bookmarks can be added as easy as a 3d-touch from Homescreen or a tap in bookmark icon in the detailed article screen.
6.This project was built in the mindset of modularity and good coding patterns. Multiple design patterns like Dependency injection, Observer pattern, Singleton Pattern.

EDUCATION

2021 - present	B.Tech. in Computer Science at **lovely professional university**	(CGPA: 7.4)
2017 - 2020	Diploma from **Chandil Polytchnic**	(Percentage: 74.4)
2017	Class 12th from S.V.M Sinidih	(74.38)
